

## 2012 Candlewick Lake Association Fishing Regulations

- A State Fishing license is required for all persons age 16 and over.
- Your Candlewick Lake Member ID is your Candlewick fishing permit. You need to carry this with you while you are fishing on the lake.
- A guest fishing pass is required for **each guest**. It may be a non-designated seasonal or a one day, both can be purchased at the Administration office or at the Recreation Center. Guest passes must be purchased by resident with proof of residency.
- Guest use of the lake is permitted provided that the property owner is on or within the immediate vicinity of the lake at all times. The immediate vicinity is defined as the shoreline or a property owner's lakefront property. Exceptions will be made when there are extenuating circumstances, predetermined by Public Safety that would prevent a property owner from being with their guest. The property owner is responsible for contacting Public Safety, in advance, so that the request may be considered and logged. The log will be maintained so that an individual that has an "approved situation" will not have to call Public Safety every time their guest wants to use the lake. If Public Safety Staff members or certified volunteers see any pattern of abuse to this rule exception, it will result in a withdrawal of the exception privilege for the remainder of the season/year. When there are extenuating circumstances that prohibit the property owner from being on or within the immediate vicinity of the lake, the property owner must still be within Candlewick Lake. (Policy 09-11)
- No Minnows allowed (dead or alive) All other live bait are prohibited also. Exception: Perch and bluegill caught at Candlewick, worms, leeches and dead smelt may be used.
